Lakshmi

Shakti (power) of Success, Abundance, Royalty, and Realization

The ancient rishis of eons past and present-day sages worship the Great Feminine. It is She who powers and empowers everything and everyone. There is no dispute about this among all the diverse Eastern paths to spiritual and material attainment.

Today, we seek to improve our lives in every way. Why not go directly to the source of all improvement? Whether it is spiritual or material abundance, success in running our lives or a corporation, protection of ourselves or loved ones,

healing through elimination of obstructing agents, or realization of the Supreme Truth, Lakshmi mantras present an easy, expeditious, pleasant and effulgently fulfilling way to achieve whatever end we have in mind.

In the Lakshmi Tantra, Lakshmi teaches us in the first person. There she makes an amazing statement: "When you look out at the world, it is really me looking at myself through your eyes. So why not identify with me and become . . . everything?"

Attendees will learn:

- A variety of known and esoteric Lakshmi mantras for every aspect of our life, including prosperity and wealth, for gaining children and protection of them, enough food to eat, development of courage, the power of victory over the problems of life, and more.
- Mantra for invoking each of the eight aspects of Lakshmi.
- A Lakshmi Mantra used by the great Brahma Rishi Vasista.
- Mantra for the companions of Lakshmi.
- Sudarshana Chakra mantras found in the Lakshmi Tantra.
- Lakshmi Mantras for knowledge and invoking the power of Cosmic Mind.
- A unique Maha Lakshmi Spiritual Discipline that can bestow Spiritual Realization.
